#### Revelation 19:10

And I fell at his feet to worship him. But he said to me, "See that you do not do that! I am your fellow servant, and of your brethren who have the testimony of Jesus. Worship God! For the testimony of Jesus is the spirit of prophecy."

## Great Things Happening! by Pastor Tom Bentley

Dear brothers and sisters in Christ,

Just a note from me to let you know of all the great things happening at the Roseburg Seventh-day Adventist church. Besides all the great changes happening through our building program, September will be an exciting month. September 21, we will be having a Better Life TV rally Sabbath. Following

this on September 28, Better Life TV will be taping our worship service for broadcast. This will be a very special Sabbath with a life changing message by Pastor Tom called: How to Live Debt Free! You will not want to miss this. Also we have been seeing changes spiritually in our church as well. We have had two baptisms so far this summer with two more coming. We will be seeing two

marriages in our church family and are excited about how lives are being changed. I can sense the power of the Holy Spirit in the lives of members and can thank God for all the blessings that he has poured out on us. Let's praise the Lord and push forward with Jesus' purpose in these last days.

## October is Prophecy Month by Pastor Tom Bentley

I am so excited about October's preaching and evangelism schedule. In October we will be hosting an evangelistic meeting with Tim Roosenberg. Tim writes: "The headlines are unmistakable. Our world is on the precipice of extraordinary cataclysmic change. The conflict between two great world religions – Islam and Christianity – is fast approaching a devastating climax that will shake the

whole world." With the transformation of Western Europe and wars of the Middle East, what does prophecy have to say? Tim Roosenberg says; "Only now can the complete picture of Bible prophecy be told!" Don't miss out on Pastor Tim's 25 years of experience in Bible prophecy and his incredible way of making what seems confusing, plain for all people. Mark your calendar and

bring a friend. The series begins October 25, 7:00pm. Also, starting in October we will begin a series on the book of Jeremiah. Jeremiah has an incredible story and a message to the last remnant of Israel when the end finally came for them. You will be amazed at the parallels as we open the message of God for His people when the end came.

## October Sermon Series

# JEREMIAH

### God's Message when the end came

Sermon Series

COMING OCTOBER 2013

**John 14:1-3**

<sup>1</sup> Let not your heart be troubled; you believe in God, believe also in Me. <sup>2</sup> In My Father's house are many mansions; if it were not so, I would have told you. I go to prepare a place for you. <sup>3</sup> And if I go and prepare a place for you, I will come again and receive you to Myself; that where I am, there you may be also.

**Revelation 22:12**

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work!"

**Roseburg Junior Academy Music Program Update**

This last year we offered a music program with a part-time teacher. This was funded by donations and all students participated. Lori Hagans did an outstanding job. It is our plan to continue with the music program next year with donations. Please consider donating towards the RJA music program. You can give a one time gift or a monthly gift. You can give through the church, simply mark your offering envelop "RJA Music Program."

**Church Finances...****Finance Report from the Church Treasurer**

Thank you for your continued support of the local Church budget. To review, our monthly budget goal is \$13,237/monthly. The offering for June 2013 was \$13,038 and the offering for July 2013 was \$10,350. We currently have a deficit of - \$4,875 for the first 10 months of our budget year. The total local budget offerings (10 months) show a

decrease of 2.9% compared to the same time last year. The total tithe shows a decrease of 2.5% compared to last year.

**Stewardship** is the personal acknowledgement on our part that God is owner and provider of all the needs of life - spiritual, physical, and material. As Christians, we are called to be faithful and responsible with the resources entrusted to us by God - our time, our talents, our assets, and

the use of our spiritual gifts.

Your strong support of the current building project has been a blessing. You can see the progress in the repair of the parking lot. Please mark September 29, 2013 on your calendar. This will be our annual Church Business meeting to review our current budget and vote on a new proposed budget for the year Oct 1, 2013 through September 30, 2014.

**Repairing the House...Building Committee Report**

"Repairing the House of the Lord" is in full swing. Many of you have noticed some changes. The most visible change is the Church parking lot. Multiple areas of defective asphalt have been removed and replaced with new asphalt. The concrete island, in the front of the church, has been removed. All of the cracks in the asphalt have been sealed. The whole parking lot has been seal coated with two coats of asphalt sealer. The parking lot stripes have been repainted. Thank you for your financial support! We now have years of service from our newly repaired parking lot.

The electrical project should be done by the time you receive this newsletter. On Tuesday, September 3, the power company will be turning the power off to the church.

They will be replacing the existing transformer and running new wires across Garden Valley Rd. This will connect to a new meter base on the outside of the church. This updating of the church's electrical system was very much needed and involved extensive trenching from the church to the power pole. (A short section of the sidewalk had to be removed for the trenching.) New electrical conduit was run in the attic and across the foyer ceiling to connect the new meter base to the new electrical breaker boxes in the furnace room. All that remains of the electrical project is to repair some holes in the walls and ceiling, construct a soffit around the electrical conduit running across the ceiling of the foyer, and

pour concrete where the sidewalk was removed. With this additional wattage, we will be able to expand in the future. This would enable us to have air conditioning in the future if the church family so desires. Your generosity allowed us to act quickly when the power company changed its position and gave us permission to go over Garden Valley Blvd. instead of boring under the street which saved us over \$10,000.

Our plans for the security walls have been submitted to a local engineer for egress analysis. Once that is complete they will then be submitted to the local building department for their approval and the issuing of the necessary building permits. We hope to start building the security walls by the end of the month.

Before we can proceed with the bathroom remodel we still need to continue to raise the necessary funds. So far donations and pledges to "Repairing the House of the Lord" campaign are just a few dollars shy of \$89,000 dollars. We praise God for your faithful support of this project! Please prayerfully consider how you will continue to support this project. We not only need your financial support but also your physical support as we are trying to do as much of this project ourselves, as the budget we are working with assumes donated help. Prayerfully consider how YOU can help as we continue to "Repair the House of the Lord." -The Building Committee

## Recipe...Asparagus & Red Pepper Frittata by Chef Mark Anthony

1 lb. asparagus, tough ends trimmed  
 safflower oil, for oiling pan  
 1 lb. firm tofu, crumbled  
 1/2 cup soy milk, rice milk, or other non-dairy milk of choice  
 2 Tbsp. arrowroot  
 2 Tbsp. nutritional yeast flakes  
 1 Tbsp. garlic, minced  
 1 1/2 t. agar-agar flakes  
 1 tsp. Dijon mustard  
 1 tsp. sea salt  
 1/4 tsp. turmeric  
 1/8 tsp. white pepper  
 1/4 cup freshly chopped basil  
 1/4 cup freshly chopped parsley  
 1/4 cup red pepper, fine diced  
 1/2 cup green onions, thinly sliced  
 1/2 cup vegan soy mozzarella cheese, shredded

Begin by preparing the asparagus: fill a medium saucepan half full with water, place it over high heat, and bring to a boil. Slice the asparagus spears diagonally into 1-inch pieces and place them in a fine mesh strainer. Place the strainer in the boiling water and cook the asparagus in the

water for 2 minutes to blanch them. Remove the strainer from the water and set the asparagus aside. Lightly oil a 10-inch quiche pan or spring-form pan and set aside. In a food processor, place the tofu, soy milk, arrowroot, nutritional yeast flakes, garlic, agar-agar, Dijon mustard, salt, turmeric, and

white pepper, and process for 2 minutes or until it forms a smooth puree. Pour half of the tofu mixture into the prepared quiche pan, evenly distribute the blanched asparagus and the remaining ingredients in the pan, and then top with the remaining tofu mixture. Using a spoon, slightly swirl the two mixtures together, and then smooth the top. Bake at 375 degrees for 35-45 minutes or until the filling is firm to the touch and dry on the top. Remove the frittata from the oven and allow to cool for 10 minutes before cutting. Serve warm, cold, or at room temperature. Garnish with sliced avocado.

Yield: One 10-inch frittata.

## Islam & Christianity in Bible Prophecy

***Coming to Roseburg October 25 to November 3, 2013, Islam and Christianity in Bible Prophecy with Tim Roosenberg!***

Tim Roosenberg is an author and Prophecy Seminar presenter. Tim pastored for 25 years until he went into a full time, traveling prophecy seminar ministry in August of 2011. He loves to present prophecy to people of any or no religious background. All are welcome at his seminars. Tim Roosenberg presents this revealing study of Bible prophecy relevant to today's

modern world. Pastor Roosenberg has studied prophecy for over 25 years and has discovered that following the interpretation methods of the early church and the reformers results in the most reliable and logical understanding of Bible prophecy.

In "Islam and Christianity" Tim will help you understand a remarkable Bible prophecy in Daniel 11 and 12. This prophecy starts in Daniel's time and chronologically unfolds through the time of Christ, extending through our time and on to the end of the millennium. This prophecy includes a future major conflict between Islam and Christianity.

Tim has been focusing on Daniel 11 since 2002, when he suddenly understood it while discussing prophecy with another Bible student. Don't miss this opportunity of a lifetime to understand Bible prophecy and current events more clearly than ever before and face the future with confidence and peace.

Plan now to attend this 10 day, nightly Seminar on Islam & Christianity in Bible Prophecy. Invite your friends, neighbors and co-workers to discover the books of Daniel, Revelation and the rest of the bible and what it reveals.
