Prayer Thought:

Security and Significance

For in Him we live and move and have our being. Acts 17:28

"Christian **pSychologists** say that good mental health springs from two things: security and significance. Security in who we are and significance in what we do. Since Christ is the source of peace, joy, strength and rest, and in Him we live and move and have our very being, we can be secure and feel significant when we place our trust in Jesus." *Diamonds in the Dust*, Feb. 12, Joni Eareckson Tada
