Paradise Fire Relief Thanks to all that helped with donations for this Beleagaro community ravaged by fire. An interesting story told to me was how...when the fire came roaring up pushed by 60 mph winds, it all of a sudden split, going on either side of the Magailia Church where scores of fleeing residents took shelter. It was only after the head of the fire passed that both legs of the fire rejoined to form one massive fire, sparing all those sheltered inside. Just another example of how God can work in mysterious ways. Donations are still being accepted through Glide Helping Hands. Thanks again. Steve Adkins
